CERTIFICATE III, IV IN ALLIED HEALTH ASSISTANCE

-  Are you looking for an exciting new career in the health industry?
-  Are you looking to make a real difference in another person's life?
-  Would you like to be trained by experienced Allied Health Professionals?
-  Would you like to participate in a "hands on", practical based course in a well equipped and supported teaching facility?

The Certificate III, IV in Allied Health Assistance may be the course that you were looking for.

This course provides essential knowledge and practical skill that ensures our graduates are ready to enter the work force along side a variety of allied health clinical professionals.

Learn how to assist allied health professionals such as Physiotherapists, Dietitians, Podiatrists, Occupational Therapists and Speech Therapists.
